## HB 2 Hearing Process (study bill)

The hearing on HB 2 incorporates a different hearing process than traditional bills. The bill, referred to as the HB 2 study bill, is heard in sections corresponding to the sections reviewed by the five joint committees: A, B, C, D, and E. The order is predetermined by the chair (to accommodate the subsequent processing of amendments and to ensure the bill can be quickly turned around for the House floor).

The hearing of each section typically follows these steps:

- The HAC chair announces the opening of the section:
- "The hearing for HB 2 Section \_\_\_ is opened."
- Subcommittee chair announces the order in which agencies will be heard

For each agency in section

- Opening remarks – Subcommittee chair
- Agency comments
- Public comment (incl. OBPP)
- Questions by committee members
- Next agency

R (rates)

At end of section hearing:

HAC chair announces "This closes the hearing for HB 2 Section \_\_\_"

These steps are then repeated until all five sections have been done.
